

# DID YOU KNOW...

**GREEN SHIELD CANADA'S (GSC'S)  
BENEFITS REIMBURSEMENT  
NAVIGATOR CAN HELP**

## HERE'S HOW:

Your drug benefit is subject to a maximum. This means that once your drug claims reach the maximum amount, you will no longer be able to have drug claims paid through your group benefits plan.

There are other programs available that may be able to provide you with ongoing coverage for your drugs, including through your provincial government or a drug manufacturer-sponsored program. That's where GSC can help. As your claims approach your drug benefit maximum, you will have access to a benefits reimbursement navigator who can assist you in pursuing alternative coverage.

Don't worry, there's nothing you need to do now. If your drug claims ever get close to reaching your plan maximum, we'll reach out to you and provide you with more information about how we can help.
